### Leigh Ramsay Memorial Bursary

This year was a surprise. We received not one, but two applications from extraordinary students, Conner Kozak at W.L. Seaton and Jenessa Moore from VSS. They are both exemplary scholars and passionate about their career interests. Conner's ambition is to become a physical trainer in the golf industry and Jenessa looks to pursue a career in sports psychology or rehabilitation. Janet & Delene each attended their respective graduation ceremonies to present them an award certificate and the bursary. A display of bursary winners is being ordered for Canterbury so that you can see as time goes on who has received this special award. Your contributions in Leigh's memory to her annual Bursary are appreciated!
